Dear Mr. Olea,

On behalf of AT&T Inc. ("AT&T"), the purpose of this report is to provide information regarding three (3) AT&T employees located in Arizona that were given notice of a surplus condition. No facility closure was involved. This report is provided pursuant to the third ordering paragraph of Decision No. 68865.

The force reduction was intended to improve efficiencies and reduce business expenses. It involved three management employees in the AT&T Mobility organization. In an effort to redeploy the employees within AT&T, the employees retained access to the internal AT&T job search system. All three of the employees found another position within AT&T. If you have any questions regarding this report, please feel free to contact me at (512) 330-1698.

Very truly yours,

Sharon Mullin
Director
AT&T Services, Inc.
